OVER-BATH BATHING CRADLE

WITH HANDLES

Designed to assist

The Over-Bath Bathing Cradle has been designed to allow those that need extra support, to enjoy a comfortable bathing experience. The cradle is simply inserted into the bath and can be positioned anywhere along the bath to the user's preference. The non-slip grip handles securely rest on the side of the bath so the cradle is kept in position.

This cradle comes with a lap belt as standard, as well as being secured with tension adjustable straps to the underside, head and foot of the cradle allowing for further adjustment and comfort. The mesh cover has an antimicrobial coating, is quick drying and easily removable for washing purposes.
